BRAND PEONY FARMS

FARIBAULT

Box 408

MINNESOTA

READ BEFORE ORDERING

N writing us please address us as BRAND PEONY FARMS. Be sure to use our P.O. Box Number 408. There are three nursery companies here, each having the word Brand in the name. We are the only one of these that specializes in Peonies and Irises. Therefore, it is very necessary that you address us properly.

We also issue a complete catalog giving descriptions of all varieties of both peonies and irises. This catalog gives also a great deal of other interesting information. If you are really interested in either peonies or irises, send to us for

our catalog.

This price list does not contain descriptions, as we expect it to be used at

peony shows, where the interested party has the flowers before him. While you are observing the flowers, you should make a list of the varieties you wish to purchase.

Iris roots should be planted early so they will become well established before fall. We begin filling orders the first of July. If you wish to order from us, we should appreciate your placing your order at the earliest possible date. An early planting of iris gives more satisfactory results than later ones.
